

OAK PARK
RESORT MARINA

The Scuttlebutt

Volume IV, Issue 2, March 25, 2010

SPRING IS HERE AT OAK PARK RESORT MARINA

As we prepare the buildings, grounds, and docks for another season at Oak Park, the boat yard will come alive with old friends getting their boats ready as well.

A few things to remember as you prepare for spring. Schedule your launch early. There are a few boats on the calendar already. The guys in the yard will not launch you unless you have scheduled in through the office and are on their schedule.

As in years past, there will be a roll off container

for shrink wrap. If you take off your wrap before the container arrives, please

leave it next to the regular dumpsters, NOT in them. Also, disposal of shrink wrap is for boaters that had

Oak Park wrap their boats. If you want to use the Oak Park disposal service and you did not have Oak Park wrap your boat, there will be a \$25 charge to dispose your wrap.

Once your wrap is off, please bundle your sticks and put your name on them. Place them under your stern and we will come by and collect them.

Thank you so much for your cooperation as we enter another season together.

No leaves on the trees yet, but not far off!

BOAT DETAILING & OTHER SERVICES AVAILABLE

If you want to save the hassle of cleaning, waxing, stripping, or painting, two "B" dock boaters are teaming up to offer their services to you.

Curtis Doreen and Tim Youngkrans are available

for all of your detailing needs. Please contact the office with your service requests and Curtis or Tim will contact you for a quote and scheduling.

If your needs go beyond detailing, we also have

Todd Walker on staff. He is available for any of your mechanical, electrical, or hull repair needs. Spring is very busy, so please schedule early.

PLAN IN ADVANCE FOR ROOMS AT THE INN

As with last year, many weekends are already booked because of weddings. This year, the first part of the season also has a corporate account booking the entire inn 7 days a week for a few months. Part of

that agreement is that the rooms would be made available on weekends for boaters and the public. But advance notice is needed, so please book in advance so we can give notice.

IMPROVEMENTS PLANNED FOR OAK PARK

Improvements, both large and small are in the works for this season. As always, the docks and carts will receive attention. As we put the docks in, we identify and replace boards as needed. Please advise the office if you find a board through the course of the season that needs replacement. The carts will be "tuned up" and maintained through out the summer.

The wireless internet

has received an equipment upgrade and all the connections and wiring upgraded

as well. Hopefully this will keep the system from needing to be re-booted.

We are also in the process of arranging to have the gas dock area depth increased. Also on the water front, the retaining wall (especially by "A") will be repaired.

As with each year, we will strive to be better in all areas of service and maintenance. Please let us know how we are doing so we can make improvements based on your feedback.

WAYPOINT PICKS UP WHERE '09 LEFT OFF

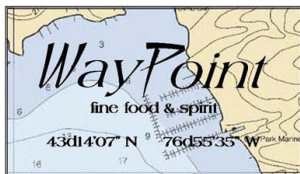

Waypoint will run the same hours of operation as last season. We will be serving dinner Thursday through Sunday, lunch Friday through Sunday, and breakfast on Sundays.

We will open Memorial Day Weekend through Labor Day Weekend. We will also be open for lunch and dinner on Monday for

those holiday weekends.

The menu will remain very similar to last season. The only changes may come in the varieties of burgers, wings and pizzas that we offer.

As with last season, a weekly e-mail will be sent out with information on live music, dinner specials, and any closings due to private functions.

The Snack Shack will open in the yard mid April, weather permitting and will move to the pool side summer location in mid May.

SOCIAL COMMITTEE TO SET EVENTS

The social committee will be meeting in a few weeks to set the dates for this years events. As always, there will be the annual boater appreciation picnic and golf tournament. In addition, we will plan an end of season event to coincide with the last band of the season, Brass Taxi.

We could still use a

few more volunteers and would like to add a few more events. It doesn't take much time and is a lot of fun. Please let me know if you are interested.

Also, if you are planning and individual dock events, please let me know the dates. That way we can try to avoid conflicts

CLOTHING ORDER TO BE PLACED

Please place your order by April 15th so we can have them for you for the season. Thank you!!
